# USM Overland Park Campus to Hold Evening Information Session About Degree-Completion and Graduate Programs *6 p.m. Tuesday, Oct. 18*

(Leavenworth, Kan.)—The University of Saint Mary will hold a free Information Session at its Overland Park Campus—home of the university’s evening graduate and undergraduate degree-completion programs—from 6-7:30 p.m. on Tuesday, Oct. 18. USM’s Overland Park Campus is located at 11413 Pflumm Road, right next door to St. Thomas Aquinas High School.

Prospective students will have the chance to talk with the respective faculty program directors at the Overland Park Campus who will be working with them individually as they advance their educations and their careers.

At the Overland Park Campus, USM offers five graduate programs—including master’s offerings in education and psychology, as well as the Saint Mary MBA, which is now available in a flexible format including face-to-face evening classes, online classes, or a convenient combination of both. USM also offers undergraduate degree-completion programs in Overland Park, and online Master of Arts in Teaching and RN-to-Bachelor of Science in Nursing Degree-Completion programs.

Attendees will also have the opportunity to speak with a counselor about financial aid and payment plan options—an increasingly important factor in selecting a degree program in the current economic climate. Some form of financial aid is available to the majority of students, and USM helps direct degree-completion and graduate students to a variety of funding sources.

“USM’s Overland Park Campus provides the perfect environment for those looking to advance their degrees,” said USM Degree-Completion Advisor Pat Howard. “Students excel with the individual attention they receive in smaller classes, and our programs are designed with convenience in mind—perfect for working adults.”

Accelerated classes for busy working professionals meet one night a week over eight-week sessions. Evening classes are offered at USM’s class sites in Overland Park, Leavenworth, and Kansas City, Kan.

Call (913) 345-8288 or visit [www.stmary.edu/success](http://www.stmary.edu/success) to register for the information session or to learn more about USM’s evening accelerated programs.
